

**Dear King's Castle Ministry Partners,**

***"Hop on the Bus, Kids!"*** We still need to raise **\$51,250** to meet our **Hop on the Bus FUND RAISER GOAL for 2018.**

***Will you make your pledge today and help us reach our goal for the sake of the children?***

Since our last newsletter, we have raised **\$11,150.00** through caring Ministry Partners who have said ***"YES, Hop on the Bus, Kids!"***

These King's Castle Bus Kids say, ***"Thank You to their Hop on the Bus Sponsors!"***

All together we have over 650 children and middle school age children who attend our Saturday **King's Castle Club** every week. We started out small and the program just keeps on growing as more and more children from the Barrios ask for us to please bring them to church.

**These Kids say, “*THANK YOU FOR GIVING TO HOP ON THE BUS!*”**

**Will you help us make Jesus famous to the Next Generation by making a One Time Gift or Monthly Pledge of Any Amount to make this possible?**

Quitting the “**Hop on the Bus, Kid’s**” program is not an option for us; we must continue to look for support, because our 650 children need us. For many of our children King’s Castle Club is their only hope for the future.

Many of our **Hop on the Bus Kids** live in extreme poverty where drugs, sex and violence are the order of the day. They come to us for Hope and a Future in the Safety of the park like setting at the **King’s Castle Club Tents**.

Last night one of my staff pastors contacted me to say to please pray because the gang was targeting two of our Guardians of the Vision girls to be executed in payment for their mother's outstanding debt of \$600.

Another Guardian of the Vision boy needs prayer because his mother has run off with someone and they are staying with their grandmother.

Many Castle Club Kids have no food at home and look forward to the food we will feed them at the King's Castle Club.

Single moms are raising most of the children we work with. In most cases the men working with King's Castle Club are the only good male role models these children have in their lives. The gangs are already targeting many of these kids because they are vulnerable and unprotected.

Please make a generous one time contribution or monthly pledge today so we can meet our goal and fund the **“Hop on the Bus, Kids!”** program, we are working in 129 gang run Barrios in San Salvador.

We need your Help because Children need to Know Jesus,
