### **TRIPLETT WISH LIST**

**Ministry Teams:** You are not required to bring anything besides your team to work with us in El Salvador. However, over the years Team Leaders have asked us what we need so we have created a Wish List. Occasionally we will ask if you can bring something down for us with your team. We will purchase it and have it shipped to you to bring down, but we will always ask you prior to coming so you have the opportunity to say NO, if you can't bring it due to the number of items you are already bringing down.
