

World Warriors 2020

King's Castle International

June 15 - July 27, 2020

“Networking all available resources to reach ALL the children of the world with the Message that Jesus saves and is coming soon...”

-King's Castle International

Dear World Warrior Applicant:

Thank you for your interest in the 2020 Last Harvest World Warrior's program.

We will be corresponding with you periodically to prepare you for what will be one of the most important missions that you will ever be part of. We believe Last Harvest World Warriors will impact your life powerfully as you prepare for the future. During the summer of 2019, we saw God move in many amazing ways through miracles, signs, wonders, deliverance, and SALVATIONS!! Please partner with us in prayer for the 2020 Last Harvest World Warrior's transformation invasion of the nations.

We believe God is calling an army of students to assemble with a "call to the nations" in 2020. We are asking God for hundreds of high school and college students who are willing to accept the call of God in 2020 to do something great for the Great Commission. **Give 6 weeks, and consider a lifetime.** If you have been interested in missions, especially, if God has given you a "call to the nations," this trip is for you.

Here are testimonies from previous World Warriors:

I came to King's Castle as a World Warrior in 2019. Then throughout the six week trip, it became plain to see that God would have to become powerful and strong in our lives and for us to completely depend upon Him for everything. One day in particular, the World

Warriors were all sick, and we were very weak. Yet that very day, we went to the largest program we had ever done, and God's power worked through our weakness as we relied on Him. Dozens of students broke down crying, as we later found out, they realized their need for Christ. After the program, a mother came up to us and insisted God couldn't heal her daughter's blindness. And as the World Warrior leaders prayed, God opened her eyes. Through the entire summer, God became powerful in our lives, most often in our weakness. **Philip Stetzler, World Warrior's 2019**

I was a World Warrior in the summer of 2017, and God blessed me with the opportunity to help lead the World Warriors in 2019! My time spent being a World Warrior was something unforgettable and life changing. It wasn't easy, but learning how to rely on God's strength rather than my own is a lesson I am able to take with me no matter where I go. Every day we were pushed to step out of our comfort zone. Through World Warriors, the Lord has taught me that His glory is shown the most when we have faith and take leaps out of our comfort zones!

Everything from bootcamp, the long van rides, the programs in schools and streets, forming relationships with local families and churches in every country— God showed His power so evidently through every single person on my team. Your fellow Warriors will become like family so quickly, and you get to form amazing relationships with the nationals in each country.

World Warriors showed me a taste of what missions is like! It was more than just any ordinary week-long mission trip. God later opened doors for me after to serve in El Salvador for a year, and has continued to stir my heart for missions after. Getting to help lead these amazing kids in prayer is a feeling so indescribable that it can't come from anyone else but God.

A six-week long mission trip may seem scary and exciting from the outside, but when we walk in obedience to the call that the Lord gives us, He will do nothing but provide, show His glory, and hold your hand through it all. Behind our obedience are our biggest blessings! **Megan McKarns, World Warrior 2017, Last Harvest Master's Commission 2018-2019, World Warrior leader, 2019**

I did the World Warriors program in 2015, 2016, and later helped to lead it while I was in Master's Commission in 2018. Initially, I was super intimidated about spending 6 weeks outside of the country with people I hadn't met before, but I felt Jesus calling me out of my comfort zone and to trust Him more fully with my life. It was one of the best decisions of my life. Jesus worked on my heart and showed me how His perfect love casts out all fear, all while deepening my passion for reaching the nations. The Lord gave me direction for my future, helped me realize my authority in Christ, and gave me best friends in the

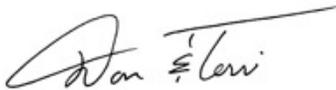

process. **Jenny Lavorgna, World Warrior 2015 & 2016, Last Harvest Master's Commission 2017-2018, World Warrior leader, 2018**

We are accepting students between the ages of 16 to 20 years old as Last Harvest World Warriors. The dates are June 15 through July 27, 2020. To officially begin your journey as a World Warrior, you **MUST** complete the Last Harvest World Warrior's application. It takes a couple of months to process your applications, so do this as soon as possible.

The total package of \$2,699, includes training materials, room, board, shirts, and transportation within Central America. The cost does not include **REQUIRED** insurance through AGWM or airfare to Central America. It does include travel within the countries you will be working in. (*Note: This amount only includes in country expenses and does not include your airfare to and from El Salvador and the United States.*)

We hope to see you next summer as a Last Harvest World Warrior! We are praying for you.

Passports. Passports are required for all team members. Obtaining or renewing a passport can cost between \$60 and \$85.

For information on obtaining passports, check out the *U.S. State Department's Passport Services and information site* at http://travel.state.gov/passport/passport_1738.html

Your passport should not expire within 6 months of your travel dates. If so, we recommend that you renew before traveling.

Tourist Cards. Every US citizen is required to purchase a tourist card at the San Salvador airport for **\$12** each upon arrival. If you are NOT a US citizen, please consult the El Salvador consulate in your country for entry requirements. However, the laws have changed and minors under 18 DO NOT pay the \$12 tourist card.

Fundraising Ideas

- 1.) **Pray.** Start by praying for the trip and for the Lord's will. If He wants you to go on this trip, He will provide your every need.
- 2.) **Letters.** Write a letter on what you plan to do this summer, make it about a page long, sign it, and send it out to at least 50-100 family members and friends. (The more you send them to, the better.) Letters are more effective than e-mails, but if you don't have their address, send e-mails, too. Letters are most effective if you put a little envelope inside already stamped and addressed to you, so all that they need to do is put money in the envelope and in the mail.
- 3.) **Talk to people at your church.** After service, go share your vision with people. Go out to eat with people and share your vision for this summer.
- 4.) **Talk to your Pastors.** Talk to the youth pastor, children's pastor, senior pastor or his secretary. You may approach them after a service, or set up an appointment to talk to them and ask if they could support you.
- 5.) **Call friends and family.**
- 6.) **Fundraisers.**
 - Do a Last Harvest World Warrior car wash,** and get people from your youth group involved.
 - Sell miles** based on about \$2,699 miles to get to El Salvador, where World Warriors starts. Make a sheet and mark off the miles that you sell at \$1 per mile.
 - Do a walk-a-thon.** Have people sponsor miles; and have other people join the cause and get their miles sponsored. You could ask people how much money they would be willing to sponsor for each mile you walk in 2 hours.
 - \$2 Mondays.** Ask friends and family to give \$2 every Monday for the rest of the year to missions. You could do a \$2 Sunday if you wanted to, and sign people up to give toward your trip every Sunday. (Make a list of sponsors you will look for each Sunday.)

\$10 Challenge. You need 270 people to give \$10. You could really even do a 20 challenge and have 135 people give you \$20. A lot of people would gladly give \$20 to missions.
