

**7-7-2013**

Dear Churches, Supporters, Alumni, Family and Friends,

A pastor friend asked us to send him some miracle stories to share this Sunday in his church. We told him that he was the first to hear them because they had just happened this week. But we thought they were too good to only share with a few people. **This is Miracle Season for King's Castle International!** When the young people from the USA join with El Salvadoran youth and evangelize the country together, God shows up and we see the miracles happen!

Here are a few stories that happened this week...

### **Castle Rally (vigila), a week ago on Friday night:**

Last Friday night, we had about 4,000 young people at a Castle Rally (vigilia) for an all night prayer meeting. Don asked everyone to come forward who had not received the Baptism of the Holy Spirit, and gave each one a candle. He had them form groups of 12 with a Master's Commission leader in each group. He instructed the Master's leader to light the candles as soon as one of their group was Baptized in the Holy Spirit with the initial evidence of speaking in tongues. Candles began to light up everywhere, and we stopped counting after 120 people received the Baptism of the Holy Spirit. It was quite a sight with Don blasting the shofar and the worship team playing revival music and the candles ablaze at the altar.

### **Prayer Fortress, speaking in tongues in "English," yesterday:**

We will be celebrating 15 years of 24/7 prayer and fasting in the Prayer Fortress this coming October 31, located at our Training Center camp. Each week we have a group of intercessors praying for 8 days for world revival. Yesterday morning at the camp (Saturday), two young ladies came up to Don and me who had been in the Prayer Fortress on their way to lunch. One of the young ladies came up and initiated a conversation in English, and she kept apologizing in Spanish for not being able to stop speaking in tongues. After speaking with her for a little while, we were

shocked that she actually didn't know English and was speaking to us in "English" tongues. As she walked away, we heard her say in Spanish, ***"How am I having a conversation in English when I can't even stop speaking in tongues?"***

### **"You are my angels," last Friday:**

On Friday, we were with an AIM team from Missouri ministering on the streets of San Salvador. The team decided to go door to door for 20 minutes before lunch because there wasn't time to do another outreach. One group went to one house, and the lady inside the house said, ***"You are my angels. I have been diagnosed with colon cancer, and I have been very depressed. Last night I told the Lord that I needed to hear from Him today through unusual circumstance, so that my heart could be comforted, knowing that Jesus would be with me throughout this difficult time."*** She invited the team of 7 into her house, rejoiced as they prayed the prayer of faith for her to be healed, with her whole family standing around her. She says she plans to be in our church on Sunday (today) along with her entire family.

### **"You haven't come to pray at my house yet," last Friday:**

Another lady at another house (same team on Friday, but a different group) called out to the group and said, ***"You haven't come to pray at my house yet."*** The team walked over to her house, and she invited them in and asked them to pray throughout the house because two weeks earlier, her son had committed suicide in the home, and the oppression was still there. The team walked through the house praying, and felt something leave the room as they prayed in a bedroom. The woman told them afterwards that that was the precise spot her son had hung himself. She said she felt peace in the house for the first time since that dark day.

### **World Warriors on assignment," last Tuesday:**

The World Warriors were on assignment in Guatemala this week, and the pastor where they were going to minister knew nothing about King's Castle, but his interest perked when he heard that the World Warriors would be

praying for the sick and ministering the Baptism of the Holy Spirit. He told them he would be preaching a two night miracle crusade in the plaza close to his church. Little did he know that the World Warriors had just finished Boot Camp, and this crusade would be their first opportunity to minister. Over 700 people came to the crusade. Many children were Baptized in the Holy Spirit right out on the plaza, as well as multiple miracles, including a deaf mute teenager who was gloriously healed. The World Warriors were ecstatic as their faith grew exponentially as they headed to Belize for a week of meetings. (The World Warriors is a 6 week summer missions program for students from the USA, ages 16 – 20. They will be traveling to 5 countries in Central America this summer.)

There are many more stories that have happened just this week. We will continue to share them with you and pray that you will receive the same blessing we are receiving.
