Dear Churches, Supporters, Alumni, Family and Friends,

Greetings from King's Castle International and the Triplett's in El Salvador!

Would you help us with an offering of any amount, so we can keep the men working on 20 Projects that I am calling the Vision of Completion?

“I was in prayer when I began to see a vision of our 20 projects in the process of completion. As the Lord showed me each one in turn, I immediately noticed that each one was being shown to me 100% finished and brilliantly operational. It was like a video as I watched, but it was brilliantly crystal clear in full color and with incredible detail. The lighting was so bright; it seemed almost surreal. I felt joyful and peaceful because it was all finally finished after 23 years in some cases of working to bring closure. The whole event took place in about 15 minutes, but when it was finished, I felt hope and optimistic because in my vision, over a \$1,000,000 had been invested to bring some closure to the unfinished projects, so we could focus on the King's Castle Dream Center Project. I was so excited watching the vision, I asked the Lord to show me all of the projects together as if they were in one single location. To my surprise, the Lord brought all of the properties (about 180 acre), together into one giant collage, like the apps on an iPad. Immediately, I began to believe God to help me raise over \$1,000,000 for what I started calling my “Vision of Completion.”

(October 2010, excerpt from Don's journal, where God showed him all the

projects finished, and he felt like God was telling him that this was His Vision of Completion.)

Terri and I have been working in El Salvador for 24 years now, and we have about 20 projects started that we have not been able to finish due to lack of resources. However, the Lord gave me what I am calling the Vision of Completion and showed me in prayer a vision of each of these projects finished. We have men working right now on the Last Harvest Bible School, the King's Castle Rural Clinic, the Candelaria Operation Center, and the Potrerillos Operation Center.

I would like to be able to keep the men working until we complete each of these projects, but in order to do so, we will need your help. We have been finishing up the Prayer Fortress Overflow Dormitory, the Men's and Women's Dormitories, and several other projects at the camp. It feels very good to see these projects coming together after several years of few MAPS Teams and little resources available to complete projects.

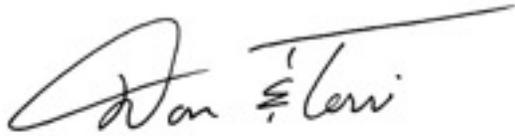

I will be posting some photos of the projects, so you can book a MAPS Team to come down and help us with some of these projects, and so that everyone who contributes to the Vision of Completion can see the progress.

I will share more when I return from Nicaragua where I am going to be part of the King's Castle Anniversary Vigila (all night prayer meeting) & Team's Revival, a Miracle Crusade and multiple services in local churches. We are looking forward to many powerful miracles being done in all the meetings.

Would you help us with an offering of any amount so we can

keep the men working on what I am calling the Vision of
Completion?
