Dear Castle Family,

We were just at a King's Castle Alumni Celebration in South Dakota, celebrating 10 years of bringing AIM teams to El Salvador. As various Alumni spoke, I thought of what I call the **"Castle Effect."**

So many of the young men and women who come down to El Salvador on a missions trip, get called into full time Christian Service. Just in South Dakota, of the 248 young people who have been to El Salvador on the District AIM trips, 13 are in part-time ministry and 21 of the Alumni are serving in full-time ministry.

**Thank you, David Bauchpiess, for all the years! Even had a cake to celebrate 15th anniversary of Prayer Fortress!**

**South Dakota Alumni Meeting!**

We went to the Assemblies of God World Missions Candidate Orientation, and many of the Candidates testified to the committee that they received their call into missions on a mission's trip to work with King's Castle in El Salvador. We were thrilled to have a couple of young people processed for our Last Harvest Master's Commission program.

Homecoming is just around the corner, and another group of Alumni are coming. We excited about what God is going to do with over 400 people Fasting and Praying for Revival, as we celebrate the 15<sup>th</sup> Anniversary of the Prayer Fortress. We have been working hard to have everything ready for the celebration. We still need all the help we can get for the Vision of Completion as we work on our projects. If any of you still want to help us, we will be very grateful for every single offering.

The ***“Castle Effect”*** impacts the twenty thousand or so Castle Alumni who have come to visit us in El Salvador over the past 26 years on AIM, MAPS and Medical Teams. It also impacts the over 100,000 young people who have worked with King’s Castle over the past 26 years here in El Salvador, as well as the 7,000 young people presently serving the Kingdom of God on behalf of the children of this country. Not to mention the millions of children impacted in El Salvador and around the world. Some 24 nations currently have organized cells working to reach all the children of their countries. It is amazing to be part of all that God is doing, and we can’t wait to get to Heaven to hear the rest of the story.

Last night, I heard an expression from a MAPS Team from Florida that is working with us during Homecoming. They said it is like a chain, and we are

all like small links in the King's Castle Chain. I liked the concept because God brought us together to labor together, and everyone was given a link which when joined together, form a **26-year-long-chain-of-events** that bring Honor and Glory to Jesus.

Together, we are committed to "Save, El Salvador!"
