

Dear Churches, Supporters, Alumni, Family and Friends,

Urgently need to raise \$75,000 to meet our Year-End Christmas Miracle!

Our Prayer Teams are praying 24/7 for our Christmas Miracle, and we have begun the Official Count Down with just **22 days until Christmas**. Thank you so much to everyone who has contributed during the months of October & November.

*We started King's Castle in Costa Rica in 1987 and we got so excited about what God was doing that used ALL the money in our AGWM work account, establishing two Castle Clubs (Linda Vista & Dos Cercas) with 5 services every Saturday. We also had 14 Outstations where we were working with over 10,000 children a month. We finished language school and turned Castle over to National leadership. **We were ready to move to El Salvador but we were completely BROKE with No Reserves in our Missionary Work Account**. We were thinking we might need to return to the USA to raise much needed funds mid term before transferring to El Salvador.*

*I was in prayer about what to do when the Lord spoke to me prophetically telling me about my ministry in El Salvador: **"Do not to worry about your finances because I would touch the hearts of My Sheep who know My Voice to give all the funds you will need."***

We received these words by FAITH and came to El Salvador broke in the middle of the most violent years of the 12 years Civil War. These words have been such a comfort to me because my (00) Work Account has been at ZERO every month for 25 years now. If God had not spoken to me I would have stopped everything and tried to build up reserves. However, Terri and I have built a huge ministry that spans the Globe built on a solid foundation. God said it and we believe Him.

To this day we have seen every kind of miracle blind eyes have been opened, deaf mutes have heard and spoken, the lame have walked but the most amazing miracle we have seen in King's Castle International is the "Miracle of Provision."

We are over half way in our Year-End Christmas Miracle (Needed \$179,000) **and with just 23 days we still need to raise \$75,000**. God has touched the hearts of His people to give miraculously and they have done so joyfully. We tell our story and ask God to touch His Sheep with the stories we tell.

Ironically, the funds we need now are very important Year End Christmas Activities because they include:

1. The Guardians of the Vision Camp
2. The Birthday Parties for Jesus
3. The Christmas Care Packages of Food and Clothing
4. The Pastor's Kids Retreat,

5. The Christmas Parties for all our Staff
6. The Last Harvest Master's Commission Graduation.
7. The Big Day Christmas Special at the King's Castle Dream Center Church
8. The 10 Feeding Center Christmas Parties
9. The Christmas Toy Distributions in El Salvador
10. The Christmas Toy Distributions in Nicaragua

Our challenge to you is that you do something exponential. If everyone we are writing today did something no matter how big or how small, we would see this \$75,000 Mountain removed and cast into the Sea.

You may think my \$5, \$10, \$20 or more won't make a difference, but exponentially, if everyone gives something, it will be more than enough. In the hands of the Lord, remember that a few loaves of bread and a few fish can feed a multitude of 4,000-5,000. Please don't deny the Lord the opportunity to use your offering to do a huge miracle. We are praying for you and everyone who donates something today, asking God to bless your 2013 Christmas Celebration.

If 100 give \$20=\$2,000

If 500 give \$20=\$10,000

If 1,000 give \$20= \$20,000

If 5,000 give \$20=\$100,000

Your gift of any amount will make a huge impact if you let God use your offering to do an exponential miracle.

Merry Christmas,

Don & Terri Triplett
