

Dear Churches, Supporters, Alumni, Family and Friends,

We still need financial assistance to meet our Year End Christmas Miracle. Your gift of any amount will be a wonderful blessing as we wrap up all 2013 Christmas Outreaches.

Thank you to everyone who helped us fund our 2013 Christmas Guardians of the Vision Camp this week. Here are a few photos of what the children have experienced this week.

All the kids have spent time with Terri and I in the boat. They are so excited to be able to ride the Banana!

Every Guardian of the Vision received a new pair of shoes, a Christmas Toy, a Guardians T-Shirt, and a lot of love.

We just completed our 2013 Guardians of the Vision Camp, and it was exciting to watch the financial miracles that happened everyday as we celebrated with the children.

Last night, we took all the Guardians of the Vision to our all night meeting with about 3,500 King's Castle Warriors. It was a wonderful night, and the Guardians Mini-Master's got to participate in the program. We had everyone (3,500 Warriors) pray for 5 minutes at the all night meeting for our Christmas Miracle. (3,500 X 5 minutes=17,500 minutes)

This morning in the Guardians of the Vision Saturday program, several kids came up to me to ask, "When are we going to celebrate our Birthday Parties for Jesus this year?" (The Guardians and Warriors help the pastors do these outreaches.)

I hesitated because we will need to see if the funds come in so that we can buy the 300 piñatas, candy & prizes, as well as the refreshments that go with the outreaches. However, by faith, we will celebrate the Birthday Parties for Jesus the week before Christmas, as well as the Christmas Distributions to 2,600 needy families. We believe that God loves the widow, the orphan, and the needy so our gifts to them will be

special in God's sight. ***We like to envision it as a Birthday Gift for Jesus.***

We are taking Christmas to the needy children out on the Coffee Plantations who are experiencing hunger and need due to the coffee blight that has wiped out the coffee crop. We are going to stand with hundreds of children during 2014, opening up more Feeding Centers to help the children. We just opened up two new Feeding Centers and are looking for ways to assist more children in these crisis areas.

Help us this Christmas with all our Year End Expenses with a gift of \$5, \$10, \$20, or a gift of any amount. We need several donors to give substantially as the Lord leads you. We have been praying 24/7 for a Christmas Miracle.

Happy Holidays,

Don & Terri Triplett
