

Dear Churches, Supporters, Alumni, Family and Friends,

We still need help with our year-end **"Christmas Miracle!"**

We want to end 2013 well and move forward towards the high goals we have for 2014.

130 ***"Warriors for Christ"*** are doing Boot Camp up in the highest mountains of Chalatenango, having the time of their lives. In spite of the low temperatures in the 50's up in the mountains, their morale is high. Terri and I drove up to minister the Baptism of the Holy Spirit to them as well as do a little Vision Casting. **32 Warriors received the Baptism in the Holy Spirit last night.**

We have over 1,500 highly trained *"Warriors for Christ"* within our ranks of 6,500 Castle members.

Our Warriors Schools have radically revolutionized the King's Castle program because our disciples are totally on fire for God as they are equipped for outreach. Our Warriors are trained through a 5 level discipleship program and are ready for serious ministry.

In November 2014, we are going to call 1,200 Warriors from our ranks to Assemble like militia and invade the darkness at a strategic target. Like the Live Dead of Asia and Africa, our young people are going to go to one of the most dangerous nation in the world to do Strategic Target Evangelism, reaching the children of Honduras.

Our Code Name for our 2014 World Invasion is: ***"SOS Honduras."***

The Executive Presbytery of Honduras has traveled to every Central American country to ask for help (SOS Honduras) in reaching their children. Honduras has the highest murder rate in the world, and church leadership feels like they have failed the current generation of young people. They believe that the only hope for Honduras is to reach all the children, get them saved and discipled at all cost.

The Missions Board of El Salvador has asked King's Castle El Salvador to GO help the brethren in neighboring Honduras. Our ***"Warriors for Christ"***

are already living and working amongst the El Salvadoran gangs, so we are equipped for this kind of outreach. It takes boldness, courage, love for the lost, a heart for fulfilling the Great Commission, and Obedience to the call of God.

You can just imagine the logistics of a trip like this one with 1,200 Warriors for Christ, traveling in 24 buses, 600 pup tents, \$300,000+, 32,400 rations, 100 sound systems crossing borders and establishing Base Camps around Strategic Targets all over Honduras.

You might ask, *“Why would we do something like this?”*

Our response is: *“Jesus is coming, and we have never had so little time, to do so much.”* Latin America is in Harvest, and my father Rev. Loren Triplett says, *“In Harvest, everything that can be done is required.”*

We believe we can **Reach 100,000 children a day** with 100 Outreach Teams, not to mention what the 150 Honduras King’s Castle teams will do. We believe we will at least double the number of Teams working in Honduras when the 150 King’s Castle Teams already in Honduras join us in Strategic Target Evangelism. Our Objective is to give an adequate witness to 1.2 million of the children of Honduras through All Available Means.

While we are Invading Honduras, we will also be Transforming El Salvador, training 250 new King’s Castle Teams to join our existing 250 King’s Castle Teams. Together, we want to give an adequate explanation of the Gospel to every child (2.3 million) in El Salvador during 2014.

We have big plans for Exponential Evangelism in 2014, but we need your help like never before as we begin to raise the funds needed to Transform a Nation for Christ. Every Army needs a Nation to Stand With them as they go into Battle.

Will you stand with us as we prepare to launch some of the most exciting days of outreach we have ever experienced as a ministry?

Many of you have come to El Salvador to work with us and you understand what we are all about down here. We urge you to make a

contribution of any amount today. Your gift will make a huge impact because we believe God will do the miracle as everyone gives the amount the Lord puts on your heart to give.

Blessings,

Don & Terri Triplett
